June 1, 2010 - [PRLog](#) -- Proline AC and Heating Services is proud to announce that they are taking on the Goodman line of air conditioning products. After extensive research and comparison, Goodman 's air conditioning products have proven to be a reliable, quality product that will offer Proline's customers a great value.

"I can install a complete new air conditioning system for the same price as my competitors are charging to patch together a customers old system. On top of that, Goodman has a LIFETIME warranty on 14 SEER units or higher. These Goodman systems sell themselves." - Mitch, Proline AC Representative

Outstanding Warranty Protection* - Every Goodman brand product is protected by a limited warranty on all functional parts.

To ensure your satisfaction with Goodman brand heating and cooling systems, special warranties are available on select products and components. For example, some Goodman brand gas furnaces carry what we believe to be an industry leading limited warranty coverage on the heat exchangers and specific Goodman central air conditioning systems carry exceptional warranty coverage on the compressors.

Here are just a few of the specialized warranties available:*

- * Lifetime Compressor Limited Warranty*
- * Lifetime Heat Exchanger Limited Warranty*
- * 10-Year Unit Replacement Limited Warranty*
- * 10-Year Parts Limited Warranty*

The Goodman® brand has a central air conditioning system that is perfect for your home — at a refreshingly affordable price. Even on the hottest days of the year, you can keep your home cool and comfortable while enjoying low energy costs with a high-efficiency Goodman brand air conditioner. Don't choose between affordability, durability, and optimum cooling comfort. Install a Goodman brand air conditioner and get all three — and what we believe to be the best warranty protection in the heating and cooling industry. As you review the various Goodman brand air conditioners, remember that higher SEER numbers reflect the most energy-efficient systems.
