DrShreya.com Announces Free “Skype” Interview for Online Homeopathic Consultation!

Adding a touch of one-to-one correspondence,DrShreya.com has good news for patients across the globe.Now the patients can schedule online interview on Skype with the doctor absolutely free of cost.Patients can decide whether to go for the treatment.

June 6, 2010 - *PRLog* -- Belgaum, India, June 6, 2010— the homeopathic consultation has reached every household, thanks to the ever-growing popularity of this science. Facing several criticisms bravely, today homeopathy has entered the mainstream medicine and ditched away the tag “alternative medicine”. With the online consultation at drshreya.com, several people across the world could seek expert homeopathic intervention for their troubles.

To enhance the online help further, drshreya.com has come up with this idea of one-to-one correspondence with the patients. Dr Shreya Deshpande, founder of drshreya.com says, “This is how we can connect with our patients better. This gives further boost to the enormous trust people all over the world have shown on us. More than that, people with skin ailments or any type of objective symptoms, can show us directly what kind of problem they have, instead of sending us photographs. So, this should prove extremely convenient for patients for seeking their valued homeopathic prescription online.”

DrShreya.com also gives details regarding this latest press release. The patients need to send the request for Skype Interview at contact@drshreya.com and register for their scheduled interview. They will be informed the exact timing through respective mail. It is also said that the patients will need to strictly follow the time or they will be sent back in the waiting list.
