

QSS International Inc Named to Inc. 500 List of Fastest Growing Private Companies in America

QSS international Inc ranks #269 on the 2010 inc. 500

Aug. 17, 2010 - [PRLog](#) -- Inc. magazine today announced its 29th annual Inc. 500 ranking of the fastest-growing private companies in the country. QSS International Inc, the leading provider of general construction and construction management, ranks No. 269 on the list, with three-year growth of 1,156.2% percent. The Inc. 500 list will be available in the September edition of the magazine.

“We’re excited to be recognized on the Inc. 500 list, as it is a tremendous validation of the consistent hard work and commitment to customer service of the QSS International Inc team,” said QSS International CEO Pramod Banavar. “We’ve experienced significant company growth over the past few years and are on track to continue that trend moving forward. The key to our success is the dedication and hard work from our employees and subcontractors.”

“If you want to find out which companies are going to change the world, look at the Inc. 500,” said Inc. Editor Jane Berentson. “These are the most innovative, dynamic, fast-growth companies in the nation, the ones coming up with solutions to some of our most intractable ills, creating systems that let us conduct business faster and easier, and manufacturing products we soon discover we can’t live without. The Inc. 500 list is Inc. magazine’s tribute to American business ingenuity and ambition.”

Methodology

The 2010 Inc. 500 list measures revenue growth from 2006 through 2009. To qualify, companies had to be U.S.-based, privately held independent – not subsidiaries or divisions of other companies – as of December 31, 2009, and have at least \$2,000,000 in net sales in the base year.
