Nov. 10, 2010 - [PRLog](#) -- About Us

Dr. Cunning and his select team of doctors are uniquely qualified to provide cosmetic dentistry in maximum comfort. They are highly skilled in the latest cosmetic procedures; and they are among only a handful of dentists in California licensed to practice IV sedation genuine "Dentistry While You Sleep." Dr. Cunning's focus on aesthetic and patient comfort dates back to 1968. He leads what is undoubtedly the most experienced team to offer these services. You are in great hands at Cunning Dental Group!

Value

We understand your concern for value when choosing your dentist.

Since 1968, the dentists at Cunning Dental Group have helped thousands of patients feel they have received the utmost in value toward their dental needs.

You'll soon discover just how dedicated our team of professionals is in making you comfortable during all phases of your dentistry.

We take great pride in introducing you to "dentistry with a caring touch" and what it means for you:

Caring

You'll enjoy our family atmosphere where our primary concern is you. Your concerns and questions are always listened to and answered in terms that make sense. With your safety in mind, we use the latest in sterilization techniques all within the OSHA requirements and regulations.
