By Anant Kumar Tripati

Tens of thousands of dollars as bonuses are being paid to employees of the Canteen Corporation for not providing prisoners with meals they are being paid to provide by Arizona.

Keefe Corporation has been provided a sweetheart contract by Arizona which allows Keefe to charge inmates prices higher than that charged prisoners in Indiana, Oklahoma, Colorado etc... for the same products.

Charles Ryan, the Prison Director has created high paying positions to pay those who have been loyal to him as rewards for their past loyalty. Bonuses are being paid to senior prison employees for denying inmates the necessary medical care and required necessities. Governor Janice Brewer appointed Charles Ryan as the Prison Director aware of his past corrupt dealings.

The U.S. Justice Department and the Arizona legislature must investigate the internal operations of the Arizona Prisons and Charles Ryan.
