-The Show highlights an Industry First as Preston and his team of designers, execute 3 back-to-back Weddings-

Feb. 22, 2013 - [PRLog](#) -- Palm Beach, FL 8/9/2012: The Destination of one’s wedding sets the tone for the Event...So each year, Preston Bailey shows his brides how to get the most out of the backdrop for their big day. This year, Preston and his team attempt an industry first by performing three uniquely themed seasonal weddings back-to back in one location...The iconic Empire State Building. Three lucky couples from around the country have each won a custom Preston Baily wedding, and the TV Special will showcase these three lucky winners and their bridal parties, as they celebrate their big day in NYC, at the best wedding venue in the US.

“We are very excited about working with Preston and his team on this Special, and look forward to our upcoming Destination Wedding Show in the Caribbean this Fall”, said Mike Lambert Executive Producer. “Both of our team’s are very committed to building a recurring wedding vehicle, that stays focused on the positive aspects of getting married, and not all the drama associated with a lot of Bridal Shows on air today.”
