

Three Bloodlines. Deadly Abilities. No Escape.

With the release of Imminent Danger, Alls unleashes a gargantuan driving force of action and magic upon the unsuspecting.

LOS ANGELES - July 31, 2013 - [PRLog](#) -- Los Angeles, California – Young adult author, Ryan J Alls has always had a thirst for creative action and captivating fantasy worlds. With the release of his debut action/fantasy novel, *Imminent Danger*, Ryan introduces readers to Eli Brassie, an heir to one of three omnipotent bloodlines. Eli’s journey of becoming an Agent and mastering his inherited abilities gives young readers a taste of the unrelenting force of gripping combat, deceitful young love and the enchanting nefarious world of Kismet.

When writing *Imminent Danger*, Alls focused on immersing the reader into all of the dangers that came with being an Agent in the world of Kismet. “Detailed and heart-pounding action scenes have always been a thirst of mine when reading novels,” the author said. He explains that he wanted readers to vicariously fight for survival against the dangers and other agents of the Kismet world, using the abilities of their favorite character.

“*Imminent Danger* was tailored to not be your stereotypical fantasy novel. I wanted to take the concepts of magic and action, and combine them with a sort of black ops or military style,” grinned Ryan. The story focuses on Eli Brassie, a young and reckless heir of the Weapons Master Bloodline—a bloodline with the ability to master and summon any weapon at will. Now that Eli is finally old enough to join the Academy that helps groom young Agents, Eli finds himself pulled into the storm that is the Agent lifestyle.

Imminent Danger is the first installment of The Bloodline Revelations series. The novel is already available in both paperback and ebook at stores such as: Amazon, iTunes and Barnesandnoble.com. Fans of the series should visit Facebook.com/TheBloodlineRevelations, as well as @TheBloodlineRev for information on the action/fantasy series.

“May fate be your ally.” —*Imminent Danger*
