### **A Brief about His Holiness Dhyanyogi Omdasji Maharaj:**

Dhyanyogi Omdasji ( <http://www.YogiSamratDhyanyogiOmdasji.com> ) is the third in line of the Illustrious Gurus of Kundalini Maha Yoga.

His Guru is Dhyanyogi Madhusudandasji who brought the Kundalini Shaktipat and Yoga to the masses in India and West. And his Param Guru is Dhyanyogi Parameshwardasji who is reputed to be an immortal.

Dhyanyogi Omdasji was born into the Path of Yoga. His paternal and maternal relatives were great siddhas and yogis.

He is well known in the sadhu and saint community in India for he has lived with them during his childhood and is connected with them now too.

Before reaching the age of twenty, he was instrumental in conducting the Kumbh Mela in Allahabad and was the head of several Mutts. He gave up everything after he became the Gadipati of Dhyanyogi Madhusudandasji. Quoting the words of Dhyanyogi Omdasji about his Guru: "the love and grace of Dhyanyogi Madhusudandasji and the Honor of Gadipati that he has bestowed on me are the highest achievements I can attain"

Omdasji spent several years in spiritual practices and tapas to prepare himself to meet his Sadguru. His prayers were answered the day he met his Sadguru Dhyanyogi Madhusudandasji.

Dhyanyogi Madhusudandasji was among the greatest Kundalini Yogis born in India. The saint community in India equated his status to that of Shri Ramakrishna Paramhansa. He was an adept who could transfer

his own energy and awaken the Kundalini Shakti of another person by touch, mantra or even intent from distance. This awakening of the Kundalini Shakti is called Shaktipat.

Kundalini Shakti is the primordial energy or power which gives life to the human fetus at the seventh month in the mother's womb and then goes to sleep at the base of the spinal column of the fetus. As long as the Kundalini Shakti is not awakened, man lives a materialistic life ensnared by his desires and ambitions. Only when the Kundalini Shakti is awakened and actively starts moving upwards towards the crown of the head, a human being is truly set on his return journey to Divinity.

Dhyanyogi Madhusudandasji was old and needed a worthy successor. Even before meeting Omdasji, he knew that Omdasji was the rightful successor to Seat of the Guru. Later on he revealed to Omdasji how had in the past, mentally guided him to visit certain power spots and do spiritual practices and prepare himself for the day when they would both meet. Thus a truly worthy disciple received the Shaktipat from a great Master and Yogi.

Dhyanyogi Madhusudandasji had appointed several teachers and bestowed on them rights to give Shaktipat and mantras to the beginners in the path and teach meditation. These teachers had limited capacities, abilities and powers. Only Omdasji was able to receive and hold all the powers and grace that his Guru transferred to him.

So on 14th July 1992, during the Guru Purnima celebrations, Dhyanyogi Madhusudandasji anointed Omdasji as his Gadipati and successor in the Hansol Ashram in Ahmedabad, Gujarat. He declared that he had selected his spiritually most powerful, devoted and worthy disciple as his successor. The title of 'DHYANYOGI' was bestowed on Omdasji. This coronation ceremony was witnessed and attended by the then Chief Minister of Gujarat, heads of different religions, dignitaries, prominent citizens, members of the sadhu community and people from all walks of life.

In the midst of such a gathering of people and media, Dhyanyogi Madhusudandasji spoke of the qualities of his successor and endorsed the spiritual heights obtained by Omdasji by publicly declaring: I bow down in reverence to this great ocean of knowledge of all Yogic Sciences and Scriptures, who is full of compassion and a fervent devotee of Shri Rama.
