

Miracle Flowers Launches Updated MiracleFlowers.net

SACRAMENTO, Calif. - June 9, 2014 - [PRLog](#) -- Miracle Flowers launched an updated version of [MiracleFlowers.net](#), a website devoted to flower delivery all over the United States on June 01, 2014.

MiracleFlowers.net has a shopping cart, an advanced product search option, and a blog. In future, the company plans to add polls, Best Sellers feature and a newsletter.

The website was created with customers in mind and according to the classical principles of information architecture and usability. The company is using special features on the background of the website, aimed to satisfy the customers' needs.

The company owner Ajk Danayan comments on the launch: "We have been working hard to make it happen. I am very glad that we finally made it. This new website is just another very important step and we will continue our quest for winning our customer's hearts all over the country."

Miracle Flowers is a full service flower shop that serves both the community of Sacramento, as well as nationwide online sales of flowers for any occasion. The company offers delivery services to get customers flowers when they need them most, no matter where they are in the country.
