

## Teenagers Epic Single "INDIAN LAND" to be released Post-Grammys

*REBELMANN® delivers bone-chilling Rock 'n Roll original - with the Guitar Solo!*

**LOS ANGELES - Feb. 10, 2015 - [PRLog](#) -- *INDIAN LAND* ---**

**Written by Teenagers. Performed by Teenagers. Recorded by Teenagers - Freestyled. Sung by a Teenager.**

Even heavier, the newest single by teen rockers [REBELMANN®](#) actually tells a real life, bone-chilling story. Backed by an eerie guitar riff written by Johnathon Mann, *INDIAN LAND* will have you intensely listening to the storyline from the opening wah pedal to the very end: all 5 minutes and 50 seconds. The bass kick and drum line, performed by Bryce Mann, will send goose bumps down your spine ..... and then back up again. Youngest brother, Clayton Mann, delivers the vocals unparalleled for his age. Written from the Native American perspective, the three Mann brothers have succeeded in writing an epic song of truth, then doing the more difficult task - putting it to music.

*Truthful. Moving. Controversial. INDIAN LAND.*

Listen for yourself. Be Ready. Coming March, 2015 to iTunes, Amazon, and GooglePlay.
