

RightWave Inc. among Silicon Review's 50 Fastest Growing IT Services Companies

Marketing Automation as a Service™ firm provides marketing operations for Eloqua, Marketo, and other platforms

SAN JOSE, Calif. - Feb. 9, 2016 - [PRLog](#) -- RightWave, Inc., announced today that it has been named by Silicon Review as one of the 50 Fastest Growing IT Services Companies. The firm that pioneered Marketing Automation as a Service™ (MaaS) serves business-to-business marketers. It allows its customers to focus on strategy and content while RightWave takes care of all the details of marketing operations.

“It is indeed an honor to be grouped with these outstanding firms” said Imran Alam, RightWave Senior Manager, Customer Relations.

Mitchell Levy, CEO and Thought Leader Architect at THiNKaha and the Chief Instigator of Ahas at the Aha Amplifier, congratulated RightWave. He said that RightWave CEO Anurag Khemka is a pioneer in the marketing automation space and it's great to see the marketplace recognizing his contribution to the field.

RightWave supports marketing automation systems including Marketo, Oracle's Eloqua, and others. Marketers can join the conversation on Twitter at #maas4roi.
