

AC Video Solutions Names Karen Newman COO

NEW YORK - Feb. 10, 2016 - [PRLog](#) -- AC Video Solutions, a New Jersey based audio and video systems integrator, recently added Karen Newman to its leadership team as Chief Operating Officer. Newman will be guiding crucial initiatives surrounding the company's steady growth and diversification.

Karen Newman brings over 25 years of executive experience to the AC Video Solutions team. She has built her career by optimizing and improving systems and operations while keeping primary focus on the people involved. Her passion for delivering superior products and services to clients through efficient processes is unparalleled.

"We are delighted to have Karen come on board to manage operations and create exciting new strategic alliances that will benefit both our existing and new clients," said Managing Partner Andrea Cummis.

A former executive with FOX Sports Net in Los Angeles, and Show Partners LLC, Newman is a four time technical Emmy Award winner and has served on the Board of Directors with the American Women in Radio and Television (AWRT). Over the past 8 years she has specialized in digital media and marketing online. She is also the author of the industry-acclaimed book Experience Mapping.

"It is an exciting time for me to join AC Video Solutions," shared Newman. "The company's approach to quality service, leading-edge technology, and the ultimate in customer support is what attracted me to this opportunity. I feel fortunate to work for a well-established organization with a strong entrepreneurial spirit and look forward to assisting with their financial diversification."

Serving the Tri-State, Northeast and Mid-Atlantic regions since 2000, [AC Video Solutions](#) specializes in Video System Design and Integration, Digital Signage, Live Event Streaming, A/V System Design and Installation, Operations and Technology Consulting, Studio Design and Construction, Service Contracts, as well as Video Production Services.
