

Superhero web series releases pilot and launches crowdfunding campaign

NASHVILLE, Tenn. - May 3, 2016 - [PRLog](#) -- With neither a billionaire nor alien inherited powers in sight, Less Than Super provides a more relatable and diverse set of heroes and a more layered focus on the struggles of balancing personal lives with secret identities.

A web series debut from Lola Rose Creative (Show and Talk), the pilot is scheduled for release on 3 May and with it the launch of an Indiegogo campaign to raise the funds needed for a full season; with a view to also approaching investors and sponsors.

Shot and produced in Nashville, TN with a locally sourced cast and crew, Less Than Super is a labor of love bringing a unique combination of sci fi, drama and situational comedy inviting you into the living room of the most normal heroes on the net. Have you ever wondered what it would really be like, trying to balance a home life and a quest for justice? The illegitimate child of How I Met Your Mother and Agents of S.H.I.E.L.D., Less Than Super is quirky, funny and bound to have you looking for the hero in us all.

Directed by Alan Brazzell, the show stars creator Sandrene Mathews, David Joel Stevenson, Brandon Davis, Sejal Mehta, Hunter Overby, Charlie Ridgely and Jessica Warman.
