

Modular buidling manufacturer named top minority owned business

Modular Solutions, Ltd made the list of top Arizona based minority owned businesses

PHOENIX - Sept. 19, 2017 - [PRLog](#) -- Modular Solutions, Ltd, a factory direct modular building manufacturer, has been named one of the top Arizona minority owned businesses according to the Phoenix Business Journal (PBJ) September 15th issue.

Modular Solutions, Ltd was established in 1996, and is a family owned corporation. They are currently completing a 44,000 Sq. Ft. design build education campus in Bena, MN but have also constructed small equipment shelters that are only 100 Square feet. According to company President Mr. Joe Hart "no project is too large or too small for our great team". He stated "we grow our company one referral at a time".

Their clients include federal agencies, school construction, hospitality and multi-family construction, Tribal communities, real estate developers, local & state agencies and non profits.

Modular Solutions, Ltd has also received recognition in the PBJ for top Arizona architectural firms and top general contractors in Arizona.
