NEW YORK - Jan. 26, 2018 - [PRLog](#) -- International Author Kevin E. Hatt Releases New Crime Mystery An Initial Countdown: A Haszard Narrative

International author Kevin E. Hatt is pleased to announce the release of his new crime mystery, An Initial Countdown. This is the ninth book released by Hatt in A Haszard Narrative series. It is available in both print and ebook formats.

After witnessing what transpired to be the murder of a seemingly innocent man, Haszard be-comes yet more intrigued when he hears of a vicar spontaneously combusting in his own church, locked from within. To add fuel to his intrigue, both men were from the same remote country village.

As Haszard begins looking into the matter, he is bombarded with peculiar tales of people connected to the church, and of strange goings-on. Piecing the facts together, Haszard be-comes convinced that he knows what's been going on, but there is only one choice of action, which is fraught with danger...
