

Virginia Medical Equipment Store Showcases Full Range of Hospital Equipment

New Richmond Virginia medical equipment store showcases the best in hospital equipment for doctor offices, exam rooms, urgent care, emergency departments and hospitals in Virginia, Northern Virginia, Washington DC, North Carolina and local areas.

RICHMOND, Va. - March 8, 2018 - [PRLog](#) -- A new medical equipment store is getting buzz from doctors and hospitals in Northern Virginia as construction finally is completed.

Richmond Virginia has a lot of medical equipment stores and places to buy hospital equipment but none can match the new location in Midlothian showcased by Hospital Direct Medical and iMedical right off Midlothian Blvd. With a huge forty thousand square foot warehouse and showroom this location features a full surgery suite, doctor office exam room, endoscopy room and patient hospital room showcasing bio-med ready equipment ready for sale.

The Richmond Virginia medical equipment store carries a wide variety of refurbished Hill Rom and Stryker hospital beds, medical stretchers, gurneys, patient side bed tables, bedside cabinets, patient vital sign monitors, EKG's, ECG's, Midmark and Ritter exam tables, power procedure chairs, Welch Allen otoscope and ophthalmoscope srts, blood pressure equipment, mayo stands, operating room tables, surgical lights, exam room lights, endoscopy equipment, anesthesia machines, stainless steel cabinets, electro surgical generators, suction machines, IV poles, infant cribs, infant bassinets, infant incubators, infant warmers, fetal monitors, defibrillators, cardiac monitors, portable ultrasounds and more. The store has one of the largest showroom areas in the United States and is open to the public Monday thru Friday from 9am to 5pm.

The medical equipment store warehouse ships hospital beds and other medical equipment all over the United States and the world including Mexico, Canada, Africa, The Philippines and more.

For more information on the Richmond medical equipment store and to see hospital equipment, exam room equipment and urgent care medical items call the Virginia office at 540-327-7376 or visit the website below for a list of medical equipment for sale sold new, used, refurbished and reconditioned.
