

OEC announces the 2018 winners of OPEN RESOURCES, TOOLS & PRACTICES AWARDS for Open Education

CONCORD, Mass. - March 21, 2018 - [PRLog](#) -- The Open Education Consortium is pleased to announce the recipients of the 2018 Open Education Awards for Excellence OPEN RESOURCES, TOOLS & PRACTICES AWARDS. OPEN RESOURCES, TOOLS & PRACTICES AWARDS is a new expanded category this year; previously classified as "OER & Projects Awards." This new category encourages nominations beyond Open Education including other areas of openness, fostering the close relationship and wide variety of innovative open initiatives being developed around the world. The Open Education Awards Committee, populated by educators and open education advocates from around the world, reviews nominations and selects winners.

Congratulations to the following 2018 Open Education Awards for Excellence winners:
