

ECM Solutions Provider, Paperless Solutions, Inc. receives Diamond Honors from Hyland Software

Hyland congratulates Paperless Solutions, Inc. for helping organizations operate more efficiently using the OnBase enterprise content management (ECM) solution.

BENSALEM, Pa. - March 21, 2018 - [PRLog](#) -- Paperless Solutions, Inc., recently received the impressive Diamond Award from Hyland which recognizes companies that have gone above and beyond to ensure the OnBase by Hyland customer community is supported with excellence. Paperless Solutions' certified OnBase technical specialists, together with a dedicated project management and customer service team, work seamlessly to help a variety of clients become more productive.

"It's a significant accomplishment and the fifth year in a row we've achieved this award from Hyland," indicates Paperless Solutions, Inc. CEO, Mike Hinkson. "Top-notch customer support and the ongoing technical education of our team are high priorities. Our specialists work very hard to ensure every client's unique needs are addressed. And, OnBase by Hyland is an outstanding, proven solution, that helps make organizations more agile, efficient and effective."

"Our partner community is held to the highest standards. This annual distinction indicates Paperless Solution's relentless commitment to developing, implementing and supporting mission-critical solutions that solve a wide range of business challenges for organizations," said Bill Kavanaugh, vice president of sales at Hyland.

The Authorized OnBase Solution Provider community is an exclusive team of more than 400 Hyland partners worldwide. These organizations provide expertise and hands-on support for OnBase, as well as the many complementary technologies that make up ECM solutions. Providers work with Hyland to give customers the highest level of technical support. And they get continuous OnBase training and the backing of Hyland, a highly respected channel-friendly vendor.
