

Rosann Santos Ranks Among New York's Best Latino Motivational Keynote Speakers Under \$10000

Searching in New York City for a Latino motivational keynote speaker on a budget is challenging for many higher learning, educational institutions and professional organizations. With impressive credentials and tenured experience Rosann Santos ranks among the top speakers.

NEW YORK - Jan. 5, 2019 - [PRLog](#) -- Rosann Santos is a NYC-based [motivational keynote speaker](#) who speaks locally, regionally, nationally and internationally across Latin America. She is fully bilingual and can deliver a keynote address in both English or Spanish to any audience from all walks of life. Whether it be to local high school students, a private academy, a local college or prestigious university, a regional corporate entity or national professional organization, or even to scientists at an international National Geographic convention, Rosann can do it all.

Aside from being fully bilingual, she also is a Gallups Strengths Coach and offers career-development seminars and professional workshops. Her commitment to help both young professionals and seasoned experts excel in their education and careers is unparalleled by few.

<https://www.youtube.com/watch?v=FhmH-NGyZuQ&t=21s>

As a career highlight, Ms. Santos was recently recruited by the National Geographic Society for her bilingualism and speaking expertise in helping scientists participating in the Sciencetelling™ Bootcamp to communicate their ideas more effectively.

Her ability to capture the essence of a meeting and highlight it to the audience in a clear concise manner is what attracted an organization with the global presence such as National Geographic.

About Rosann Santos:

Ms. Santos offers world-class professional development workshops; seminars for professional staff training; and motivational, interactive conversations for higher learning students and their families. When looking for educational keynote speakers or [Latino motivational keynote speakers](#) under \$10,000 in New York City or outside of your home state, search no more, she has spoken at professional organizations and educational institutions across the country and Latin America.
