

Month of Prayer for Believers Everywhere, By Believers Everywhere

On April 7th, 2020, Tsiyon Road Radio will be hosting a free live streamed prayer event, to bring the COVID-19 plague before our Father in heaven. Every believer is invited to add their voice to this united prayer event.

AUSTIN, Texas - April 4, 2020 - [PRLog](#) -- Tsiyon Radio will be hosting an open-to-the-public online prayer meeting 4/7/2020 at 8PM CST to pray about COVID-19. While Passover would usually start at sunset on the evening of this date, many are impacted from the pandemic spreading over the entire world and find themselves unable to fully prepare for this year's Passover at this time. This event takes that problem into account.

This event is known as the *Passover Month of Deliverance* and will begin on the evening of the 7th of April CST. This special month of prayer will extend into May, to a date yet to be announced. The month of this event is meant to be set apart for personal examination, repentance, and prayer of intercession for the return of wayward believers back to the Father, as well as being a prayer-time for deliverance for all believers from the global plague. More details will be shared via the live meeting associated with the event.

The *Passover Month of Deliverance* event will start with a live broadcast that can be viewed at Truthpoint.info, <https://www.Tsiyon.net> and other video streaming platforms.

An invitation was sent out recently, which stated,

"All are welcome, and we would especially like to hear from group leaders of any and all congregations of believers who are interested in participating in this coordinated event. Any can contact us by email [or at our website].

If you belong to Him and love your neighbor, regardless of doctrinal differences, you are invited to participate. The need of our neighbors for all of our united prayer transcends all organizational boundaries and barriers. All of this is completely free of charge, with no strings attached. All we want is to unitedly seek the Divine Grace together in the midst of this crisis."

Contact information, as well as more information on this event, can be found at TruthPoint.

The invitation stated: ".. if all who find this message before them, and who are favorable towards it, will respond, we will experience this Passover of Deliverance, as the greatest, most joyous Passover we have ever experienced. Messiah is reaching out to His lost sheep in the midst of these troubles, and it is our privilege to reach out with Him."
