

One Benefit of COVID-19 on Addiction Treatment

Individualization of Therapy is Enhanced at this Private Rehab

BOQUETE, Panama - Oct. 5, 2020 - [PRLog](#) -- Typically, the 45, 70 or 90 day programs of Serenity Vista private rehab accepts a maximum of 6 guests with a high degree of individual attention and customization. However, due to COVID-19, as part of their current biosafety protocol, the center is now treating a new normal of 3 concurrent guests. This means that each person gets even more intensive individualization and the success rates are consequently extremely high.

The mountainous highland region of Boquete, famous for rainbows, flowers, birds, and coffee, is home of Serenity Vista, World-Class Private Alcohol & Drug Rehab Addiction Treatment Center. For the past 8 years, Serenity Vista has helped numerous people from all over the world to recover from alcoholism and other forms of addiction.

Serenity Vista cannot be considered a typical 'rehab center', but a highly professional, world-class addiction treatment program. Serenity Vista is led by John & Jane Derry, who in 2012 let go of their Canadian home and possessions and sailed to Panama. This couple dedicates their entire life to help others experience joy in living their fullest potential in sobriety.

Boquete, Panama, was carefully chosen as the ideal world setting for Serenity Vista. Today, Serenity Vista is supported by an outstanding staff of highly skilled addiction & holistic professionals. They offer a complete life changing program for people looking for a new life free from addiction. Serenity Vista is a special place of healing, now recognized as one of the top ten rehabs in the world.

Serenity Vista's goal is to help people with all forms of addiction. This includes alcoholism, drug addiction, ludopathy, smoking, compulsive behaviors such as related to gambling, sex, or food, and codependency. The program is very comprehensive and holistic in nature, fostering healing of all aspects of body, mind, and spirit.

This program is ideal for anyone who can speak English. Panamanians, expats, people from North, South & Central America, Europe and Australia are welcome. Individuals from all walks of life, including many professionals, come to Serenity Vista from all around the world seeking a very private, discreet, and extremely effective holistic addiction treatment.

Addiction is sadly, often tragically, increasing in prevalence, negatively impacting individuals, families and societies. The good news is, there is expert, compassionate help, and full recovery is possible! In Panama. Serenity Vista is such an oasis of hope, healing & renewal.

And now, this outstanding boutique rehab provides even a greater degree of customized, individual therapy. A serendipitous benefit of COVID-19.
