With all of the digital content made accessible via the Internet, a simple way to stay grounded and informed is to pick up a book and read.

Young people remain the nation's top readers. Eighty percent of Gen Zers and Millennials read books in any format with printed books still being their favored choice, according to The Expert Editor. In conjunction with the Edition8 Magazine "Read Every Word" Campaign, Alaco Media invites all Millennials, Gen Zers and scholars to join the movement by reading for 30 minutes every day.

Statistics show that
