

## **PADT Co-Owner Eric Miller Listed Amongst 19 Top Leaders of 2023 by InBusiness PHX**

*List Includes Valley Leaders Who Are Making a Difference in the Community*

**TEMPE, Ariz. - Dec. 3, 2023** - [PRLog](#) -- [PADT, Inc.](#) is pleased to announce that one of the company's three co-founders, Eric Miller, was included in the prestigious annual list of influential business leaders in the Greater Phoenix Area. The [December issue of the InBusiness Greater Phoenix magazine](#) chose leaders for the list from a wide range of sectors in the local business community. Honorees were all dedicated to "growing their companies and our economy, in developing policy, managing people and growing business through innovations that have a positive effect on our business community."

[Mr. Miller](#) was chosen for his activities as one of PADT's co-owners, for his four years as Board Chair of the Arizona Technology Council, and for his volunteer work with the Arizona Commerce Authority, Arizona Tech Investors, and other organizations across the state where he contributes to growing the Tech sector, the startup ecosystem, and STEM initiatives. He also shares his views on improving the local business community through his regular contributions to the Phoenix Business Journal.

"Being included on this list is truly an honor, especially when you look at the other local leaders who are listed." Miller added, "Much of the credit goes to the staff at PADT, and at the organizations I volunteer with, for providing amazing input and executing for the customers and communities they serve."

The list highlighted other valley leaders, including:

- Latasha Causey, President of Phoenix Raceway
- John Graham, Chairman and CEO of Sunbelt Holdings
- Peter Kjome, President and CEO of the Phoenix Symphony
- Tammy McLeod, CEO of the Flinn Foundation
- Michael Pollack, CEO of Michael A Pollack Real Estate Investments
- Cory Woods, Tempe Mayor

Inclusion in this list is recognition of PADT's commitment to improving and growing the Arizona business ecosystem through the actions of the company and the participation of our team in organizations that are making a difference.

## About PADT, Inc

Phoenix Analysis and Design Technologies, Inc. (PADT) is an engineering product and services company that focuses on helping customers who develop physical products by providing Numerical Simulation, Product Development, and 3D Printing solutions. PADT's worldwide reputation for technical excellence and experienced staff is based on its proven record of building long-term win-win partnerships with vendors and customers.
