Golden Limousine International Announces NIL Partnership with University of Michigan Basketball Standout Trey McKenney

ANN ARBOR, Mich. - Sept. 24, 2026 - [PRLog](#) -- [Golden Limousine International](#) is proud to announce a new NIL partnership with [University of Michigan basketball](#) standout [Trey McKenney](#). A native of Flint, MI, McKenney embodies the values of excellence, leadership, perseverance, and community that Golden Limousine International proudly supports.

"We're excited to welcome Trey to the Golden family," said Sean Duval, President & CEO of Golden Limousine International. "Trey represents the kind of commitment, character, and determination we value. His journey from Flint to the University of Michigan is inspiring, and we're proud to support him as he continues to grow both on and off the court."

Before arriving in Ann Arbor, McKenney established himself as one of Michigan's top high school basketball players at Orchard Lake St. Mary's. In 2025, he was named the recipient of the prestigious Hal Schram [Mr. Basketball Award](#) and was recognized as a consensus five-star recruit and McDonald's All-American. During his senior season, he averaged 22.9 points, 10.5 rebounds, and 3.1 assists while helping lead St. Mary's to a Division 1 State Championship.

McKenney continued that success during his freshman season at Michigan, becoming an important contributor to the Wolverines' historic 2026 national championship run. He played in all 40 games as Michigan finished 37–3, won the outright Big Ten regular-season title, and captured the program's second national championship. McKenney averaged 9.9 points and 2.8 rebounds per game while shooting 46.2 percent from the field and 39.1 percent from three-point range. He also earned All-Big Ten Freshman Team honors.

Beyond basketball, McKenney's Flint roots and family legacy reflect his commitment to community. His

grandfather, Woodrow Stanley, served as Flint's first African-American mayor and left a lasting legacy of leadership and service.

Through this partnership, Golden Limousine International looks forward to supporting McKenney as he continues his journey at the University of Michigan and beyond, while celebrating his accomplishments, community connection, and continued pursuit of excellence.
