AirOnPrice Launches 2026 Senior Citizen Flight Assistance Desk for Travelers 65+

Dedicated 24/7 Telephone Desk (1-844-656-7300) Connects Older Adults with Unadvertised Senior Tariffs, Wheelchair Logistics, and Airline Route Flexibility Across Major US Carriers.

DENVER - Oct. 31, 2026 - *PRLog* -- As major airlines migrate booking systems online while phasing out automated senior discounts on public search engines, older travelers frequently encounter digital hurdles and missed fare savings. To resolve these friction points, independent travel platform **AirOnPrice** today announced the nationwide rollout of its dedicated 2026 Senior Citizen Flight Assistance Desk.

Operating 24/7 at toll-free **1-844-656-7300**, the desk provides personalized telephone guidance to travelers aged 65 and older. While standard travel portals prioritize automated bookings, AirOnPrice travel agents assist seniors in securing unadvertised senior tariffs, companion fares, and non-automated discount pools across leading domestic and international airlines.

Key highlights of the 2026 Senior Citizen Flight Assistance Desk include:

- **Unadvertised Senior Fares:** Phone-only access to specialized senior discount pools and age-qualified savings.
- **Comprehensive Accessibility Coordination:** Immediate booking arrangements for airport wheelchair logistics, priority boarding, and aisle seat placements near restrooms.
- **Flexible & Refundable Booking Advice:** Expert comparisons between refundable and basic economy tickets to protect senior travelers against cancellation penalties.

"Booking air travel should never be an overwhelming experience for older adults," said an operations spokesperson for AirOnPrice. "By calling **1-844-656-7300**, seniors and their families connect directly with experienced travel specialists dedicated to stress-free, cost-effective journeys."
